

## The Wright Resort 2009 Offerings Preview

The Wright Resort theme for 2009 is **Health and Wealth**. TWR offers quarterly Salons for large groups and monthly accountability, support and coaching services for individuals and small groups, and the quarterly newsletter, **illumination**. TWR will launch its product division, "Wellness Works" in early 2009, an opportunity for business partnership in the wellness industry. TWR remains committed to bodymindspirit health and well-being using holistic health practices, expressive arts and sacred ritual. **Invest in yourself and experience the benefits of optimum health from the inside out.**
